

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

SYLVESTER JAMES MAHONE

Plaintiff,

V.

DOUG WADDINGTON, *et al.*,

Defendants.

Case No. C04-5463RJB

ORDER

This Civil Rights action has been referred to the undersigned Magistrate Judge pursuant to Title 28 U.S.C. § 636(b)(1)(B). Before the court are a number of motions filed by plaintiff. The following outlines the pleadings now ripe for consideration:

1. Plaintiff's second motion to extend discovery. (Dkt. # 55 and 58).
2. Plaintiff's motion for the addresses of the Tacoma Pro Bono Panel. (Dkt. # 57).
3. Plaintiff's motion to modify the pre trial scheduling order. (Dkt. # 59).

On March 8th, 2005 the court denied plaintiff's motion to extend discovery. The court has reviewed that order and finds it was well reasoned and proper. (Dkt. # 54). Plaintiff has engaged in extensive discovery as is evidenced by the numerous sets of interrogatories and responses on file in this case. (Dkt. # 48 and 58). The court views plaintiff's subsequent motions as being motions for

ORDER - 1

1 reconsideration. Plaintiff argues the discovery he has received discloses the names of new defendants
2 and he needs to amend his complaint. Plaintiff has possessed information regarding the persons he
3 claims he now needs to add to this action for a number of months and did not act on it. Now, only
4 when faced with summary judgement, does plaintiff argue for amendment to add additional
5 defendants. Plaintiff's pending motions are **DENIED**. Contrary to plaintiffs assertions the
6 defendants in this action would suffer prejudice by delay in this action and a re-opening of discovery.

7 The clerk is directed to send copies of this order to plaintiff and counsel for defendants and to
8 remove docket numbers 55, 57, 58, and 59 from the court's calendar.
9

10 DATED this 26th day of April, 2005.
